## CERTIFICATE

The company

AS Rita Slokas street 51A 1007 Riga, LATVIA

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report **20200K1219** 

20200K1219 AITEX

Tested for harmful substances www.oeko-tex.com/standard100

## for the following articles:

Garments (T-shirts, sweatshirts, dresses, bodies, rompers, hoodies, jackets, polo shirts, leggings, pants, tops, shorts) for babies, kids, and adults made of organic cotton (GMO not detected), organic cotton/elastane, organic cotton/polyester, viscose (bamboo), viscose (bamboo)/elastane, wool, wool/elastane, wool/polyamide and wool/polyester. Garments dyed and printed. Including accessories: Synthetic zippers, sewing thread, printed labels, heat transfers, buttons, elastic bands and ropes cotton.

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 4, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 4 for baby articles.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate 20200K1219 is valid until 31.07.2021

Alcoy (Alicante) España, 22.07.2020
